

NORTHGATE WOODS

COMMUNITY ASSOCIATION

FALL NEWSLETTER

CSM Management

The board has opted to no longer utilize CSM Management for our financial business. This change takes affect in December 2019. The treasurer will resume the bookkeeping role.

Your board is interested in hearing from you....

We are looking for community beautification ideas for the common area. Please forward your suggestions through the website contact form! For those with no web access, please give your suggestions to a board member or mail to the PO Box.

Complaint Received...

NWCA received an anonymous complaint regarding children playing in the street and toys on the sidewalk on Northgate. Parents of neighborhood children have been made aware. As a reminder, NWCA is a neighborhood and community and it is expected that there will be children playing throughout the neighborhood. Parents, please help keep toys off the sidewalk and be sure your children are playing safely. Everyone, please drive cautiously as we have numerous children in the neighborhood. There have been several community members and non-community members driving fast on Northgate Rd.

Introducing your new board:

Will Rogers, President

Joe Minnick, Vice President

Mimi Ngaii, Treasurer

Larry Chiarizia, Secretary

Kaleem Ahmad, Technology and Environmental Protection

Denise Lee, Member At Large

NWCA Website:

www.northgatewoods.org

email: info@northgatewoods.org

Within the website one can expect to find important phone numbers, information about the community, the Environmental Protection Board form (EPA form) which can be downloaded and printed, meeting minutes, and other information. Please note that all improvements, structure changes, etc. require the submission and approval of the EPA form. The form can be returned to info@northgatewoods.org.

The website has an online contact form which can be used to contact the board anytime. It is automatically forwarded to all the board members!! For those with no web access, please feel free to contact any board member directly or utilize the PO Box.

We look forward to a great year!
